Free

Inoculation method

There are two methods, "public facility type inoculation" and "large-scale group inoculation". (Advance reservation required)

Inoculation schedule

▪ Inoculation ticket sent: Thursday, June 24th

▪ Public facility type inoculations: After receiving the inoculation ticket, please make a reservation from the **call center** or the **reservation site**.

▪ Large-scale group inoculations: July 3 ～

Public facility type inoculations

At the locations opened by Okazaki City, we will carry out inoculations with the Covid-19 vaccine.

Please see PDF   for dates and locations.

Large-scale group inoculations

Aichi Prefecture will make requests to medical institutions to open large-scale inoculation sites for the Covid-19 vaccine.

Please see PDF   for dates and locations

Reservation methods etc.

* For both public facility type inoculations and large-scale group inoculations

Inoculation reservations cannot be made at city hall, branch offices, or health center counters.

  How to make a reservation: Please make a reservation from the **call center** or the **reservation site** written in the guide with the vaccination ticket. Either way, you can make a reservation only when there is a vacancy in the reservation slots.

▪ Okazaki City Covid-19 Vaccine Call Center

  Telephone: 0570-049-900 from 9:00 am to 6:00 pm

▪ Reservation Site https://okazaki.rsv4citizens.jp   9:00 am to 8:00 pm

  On the reservation site, you can perform user registration and target person registration even when there are no reservation slots available.

  For an explanation of how to use the reservation site   Please see PDF   for

reservations for public facility type inoculations.

Large-scale group inoculations can be reserved in the same way.

Please see PDF for instructions on web reservation for the Covid-19 vaccination.
